Career Objective

I am a dedicated IT student with a strong drive to leverage technology for meaningful impact. With a solid foundation in coding and a knack for creative problem-solving, I am eager to take on complex challenges and craft innovative solutions. I am looking for opportunities to join collaborative and dynamic tech teams, where I can apply my skills, gain insights from my peers, and contribute to impactful projects that leave a lasting impression.

Skills

Programming Language: C, C++, Java, Python
Soft Skill: Leadership, Time Management
